About the ICC Academy

The ICC Academy was founded in 2015 to provide market leading e-learning for trade professionals worldwide. The ICC Academy offers a wide range of specialised programmes, leveraging ICC's position as a world leader in defining commercial rules and standards to support international commerce.

The ICC Academy is part of the International Chamber of Commerce (ICC), the world's largest business organisation with a network of over 6 million members in more than 100 countries. ICC works to promote international trade, responsible business conduct and a global approach to regulation through a unique mix of advocacy and standard setting activities—together with market-leading dispute resolution services. ICC members include many of the world's largest companies, SMEs, business associations and local chambers of commerce.
