

CERTIFICATE ON THE COMMON REPORTING STANDARD (CCRS)

Compliance Training and Strategies

[BUY NOW](#)

The **Certificate on the Common Reporting Standard (CCRS)** explains the key requirements and intentions of the Common Reporting Standard (CRS), an international reporting regime for the automatic exchange of information on financial accounts.

The advanced level programme aims to help industry practitioners build a comprehensive understanding of the CRS regime so they can better combat offshore tax evasion and increase tax transparency.

Who's taking the CCRS?

General practitioners working in banks, corporates, or financial institutions in functions such as relationship management, credit and compliance.

Certificate structure

Divided into six lessons, the programme has been created in partnership with BearingPoint RegTech. The four-hour interactive course helps understand how to incorporate the CRS regime as part of a strategic compliance operating model. Professionals can learn how to navigate common issues while onboarding clients or review change in circumstances, including preparing them for reporting exercises and audits.

CERTIFICATE OUTLINE

- › Lesson 1: Automatic exchange of information and CRS
- › Lesson 2: CRS: Reporting basics
- › Lesson 3: Due diligence on opening new accounts
- › Lesson 4: Remediation of pre-existing accounts
- › Lesson 5: Monitoring for changes in circumstances
- › Lesson 6: Best practices for a comprehensive compliance strategy

Why take the CCRS?

- › Learn to classify financial institutions and accounts as per the CRS criteria
- › Understand due diligence, reporting requirements and key considerations under CRS
- › Implement best practices of CRS, including broader AML/KYC compliance practices

We are delighted to partner with ICC Academy to bring our new professional certificate on the Common Reporting Standard (CRS). The CRS is here to stay, and we are committed to helping industry professionals increase their knowledge and competence in this area. We believe that our training will prove useful for financial institutions looking to develop and maintain internal expertise on the CRS, as well as to build a long-term compliance strategy. We recommend a holistic approach that leverages the synergies of multiple tax-transparency regimes with their respective client due-diligence requirements.”
